Phil:

This letter is to confirm your reception of WSYR on March 10, 1995 after 1 A.M..

WSYR normally runs the Jim Bohannon show through the overnight, and the Gill Gross show in the early morning. Aaron Kitirski is one of our overnight operators / anchors.

WSYR is a 5,000 watt directional station running news/sports/talk programming, and is the flagship of the New York State Radio Network, offering full coverage of Syracuse University Football and Basketball.

WSYR's signal pattern is set up to be restricted in WMCA's direction to prevent interference with them. This may explain why the two stations interact at your location.

We are pleased you were able to listen, even for a brief time. If you are ever in the area, feel free to stop by for a tour of our facility!

Sincerely,

Tim Backer
Engineer
